

TESLIN TLINGIT COUNCIL

is inviting resumes for

Salmon Steward

This is a term position

September 10, 2018 – March 31, 2019

Reporting to the Renewable Resources Coordinator, the Salmon Steward will mentor under the Renewable Resources Coordinator and Natural Resources Manager in a wide variety of salmon-related outreach and education, management, and technical activities. This position will provide an opportunity for a TTC youth to explore salmon and fisheries-related work and to gain hands-on experience and training in this field of work. The incumbent should be comfortable working in both a field and office setting, and interacting with youth, community members, and Elders.

Education and Experience

- Standard First Aid certification is an asset. Other job-related training and certification will be provided as needed and when available.
- Basic computer skills (Outlook, Word, Excel)

Main Duties

- Assisting with salmon restoration and monitoring field work activities
- Developing salmon-related educational materials and activities for community members and youth
- Working with the Teslin school to provide youth learning opportunities
- Assisting with in-season salmon management activities including updates to citizens
- Assisting to deliver the Taku Salmon program
- Assisting with TTC culture camps planning and activities
- Keeping a journal of activities

Requirements

- Candidates must be a TTC Citizen with a valid status number and be between the ages of 15 and 30

To apply, please submit a cover letter and resume
